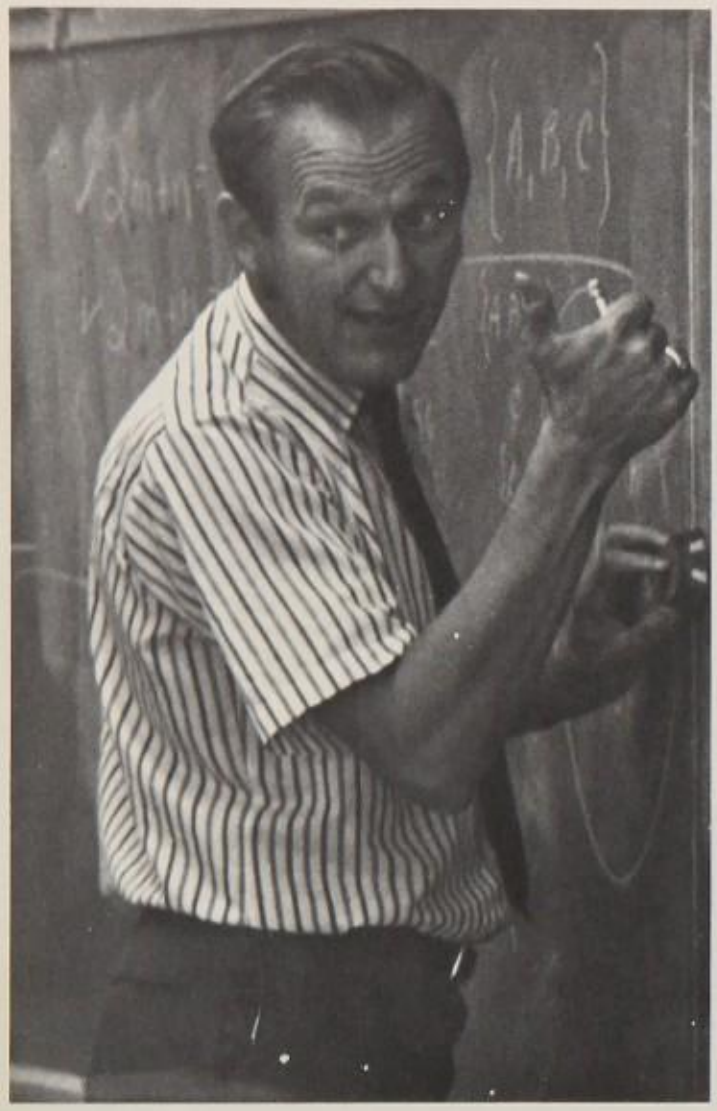
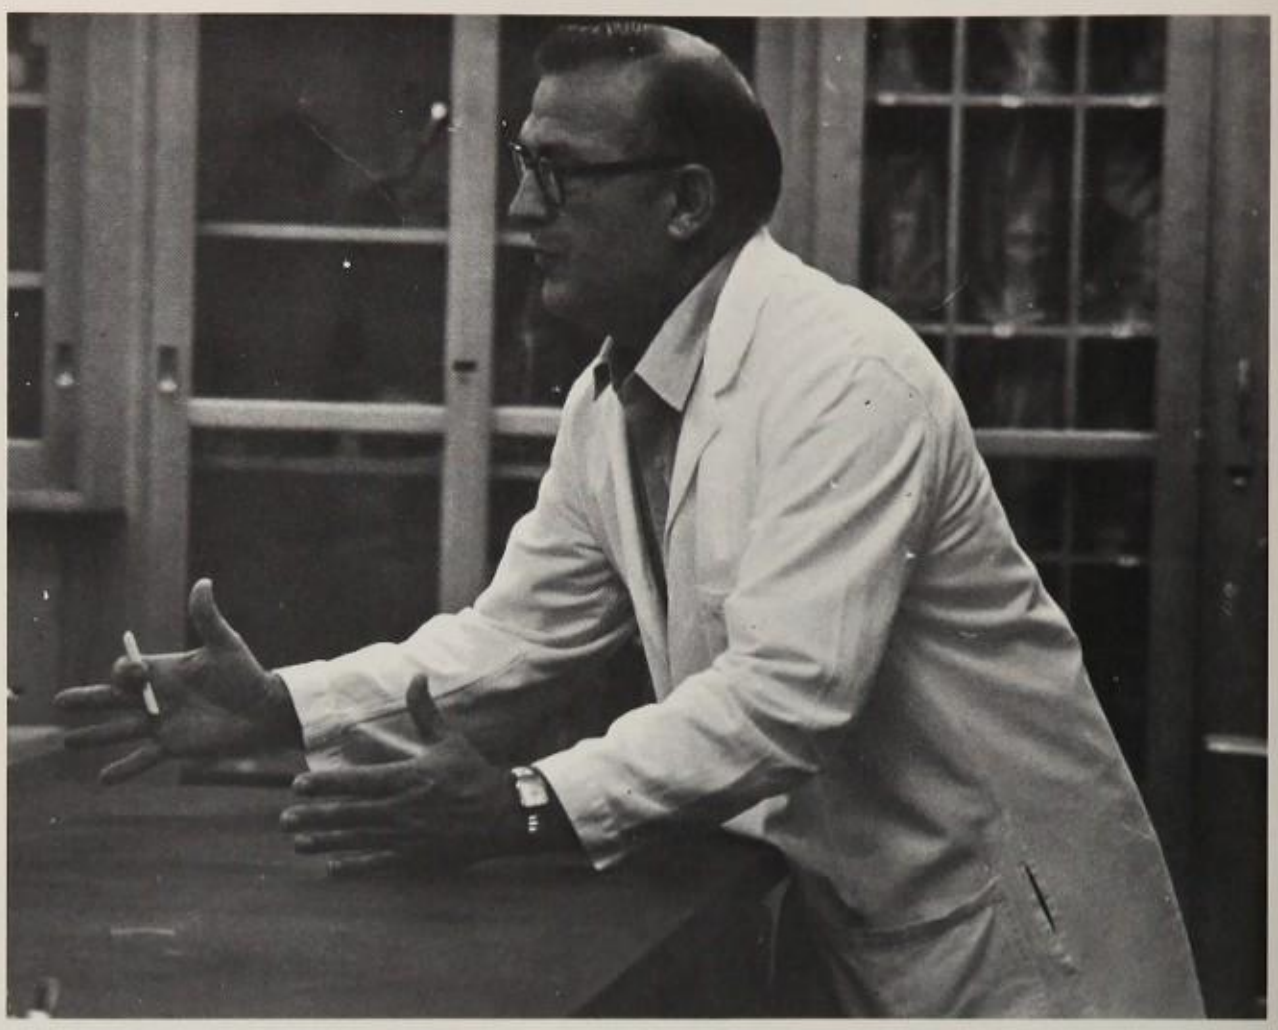
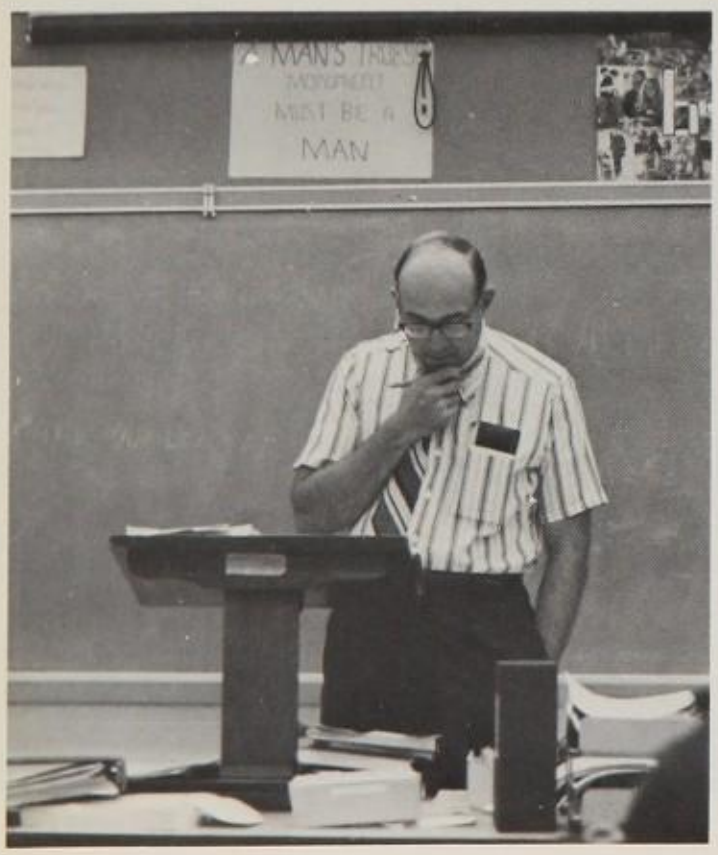
Not long ago,

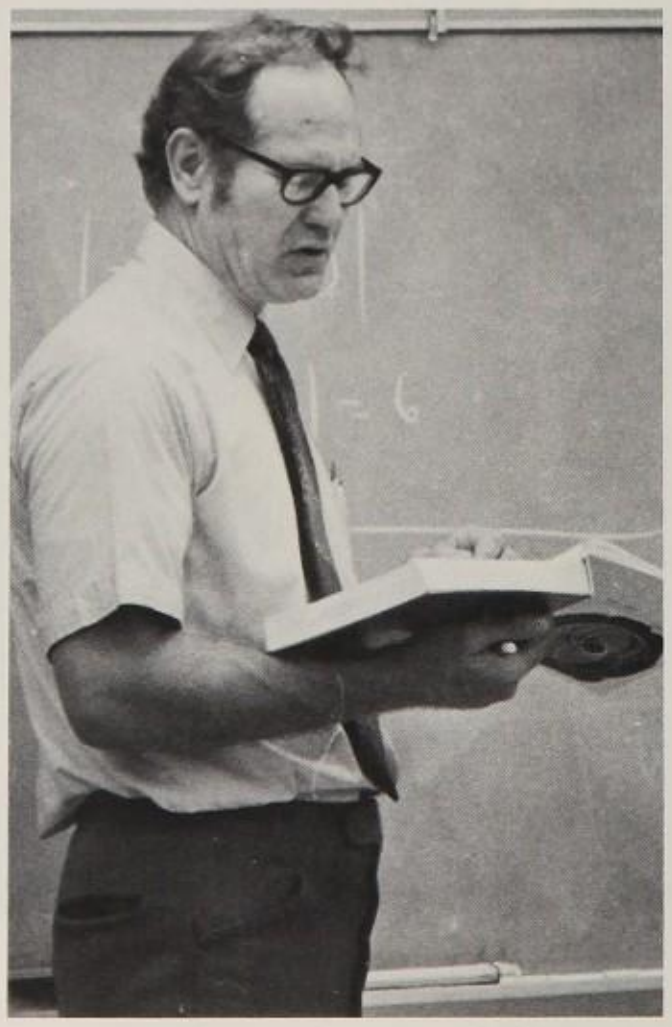
It seems that we had just come here.

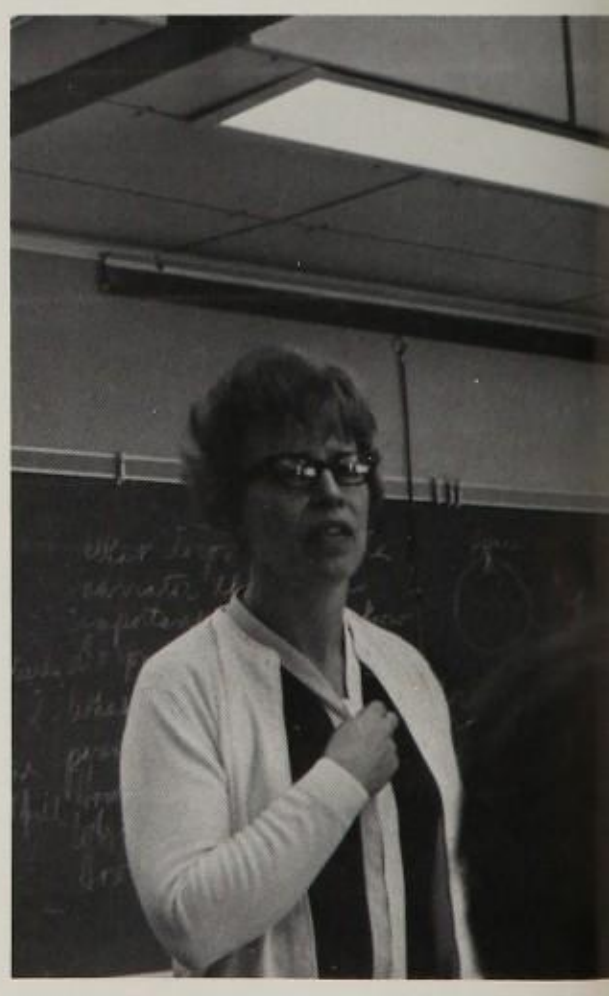
I can still see the halls as they were then,











filled with those so much older than I.

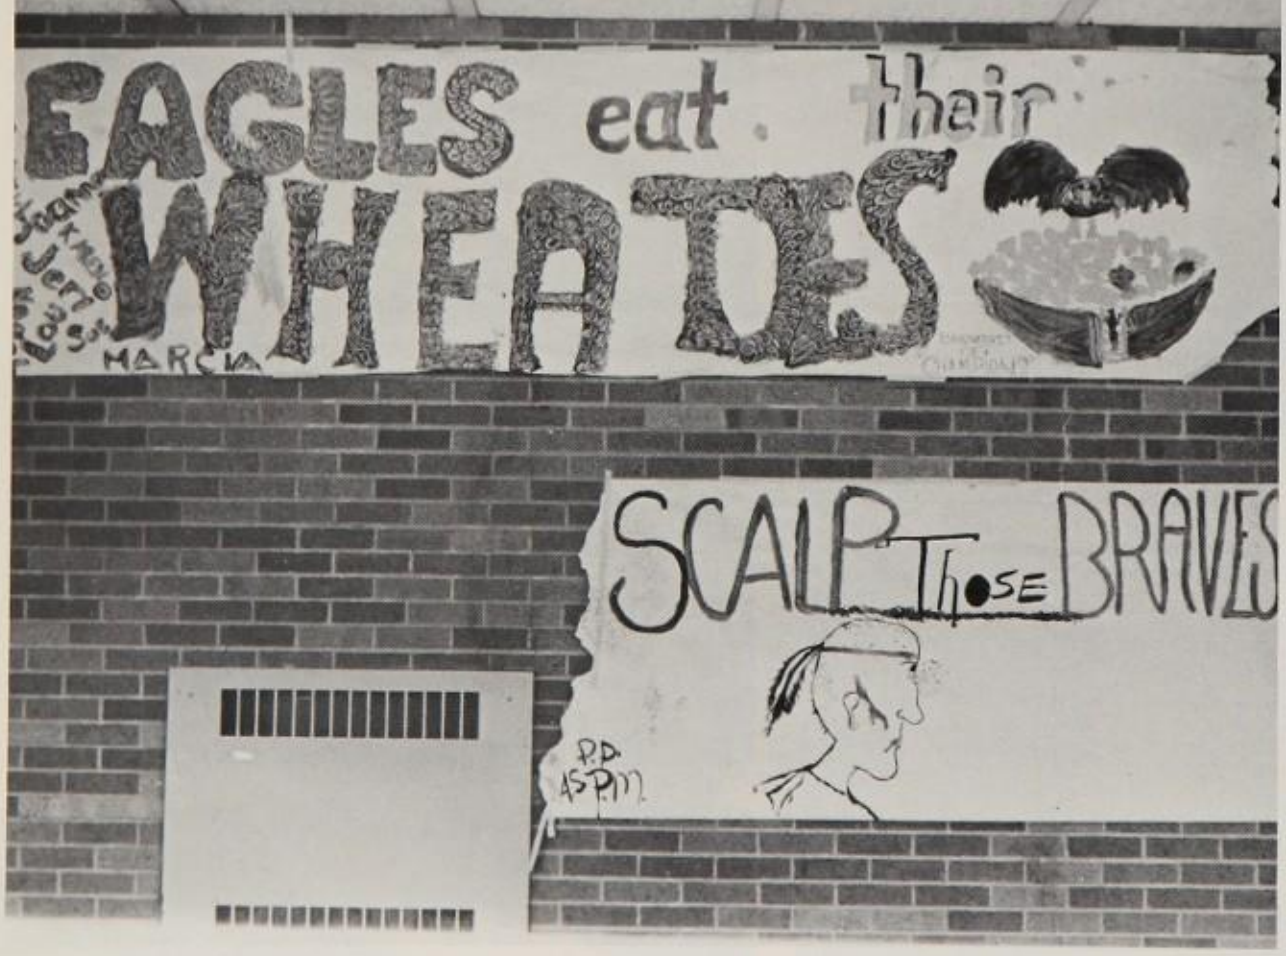
I can still see so many of them,



them work, as though they were ghosts,

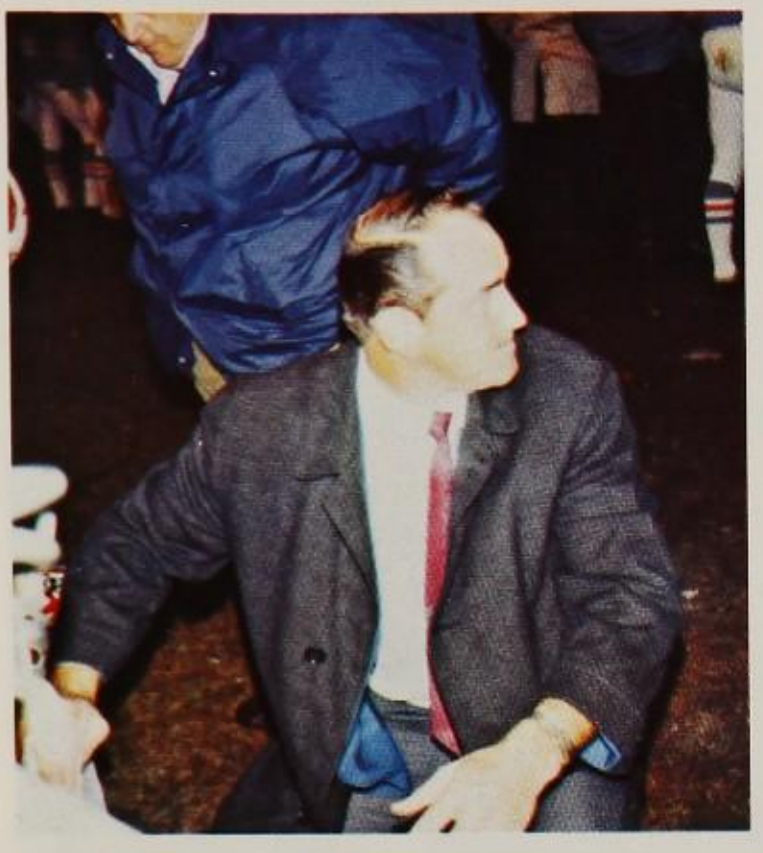
I can see them laugh, and I can see

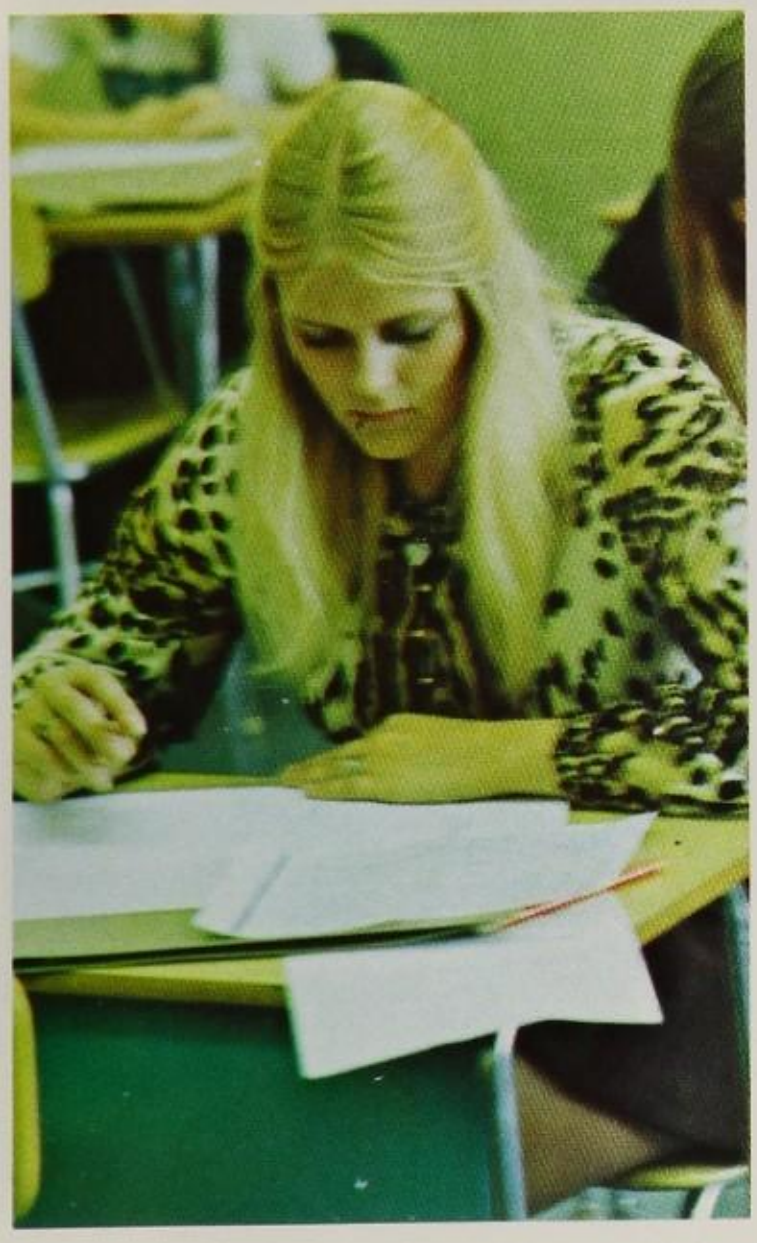
walking and haunting our memories.

As I look back, it seems that they will

late to class. I can see the marks, and goals

come just around the corner, or walk in



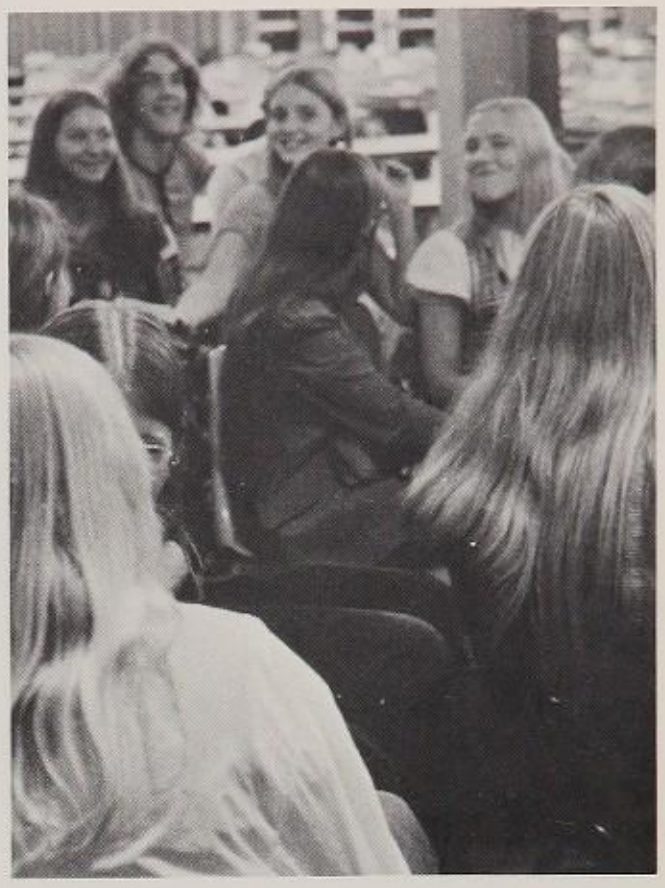


that they achieved, as though some had left

a mark, a sign to remind us they were here,

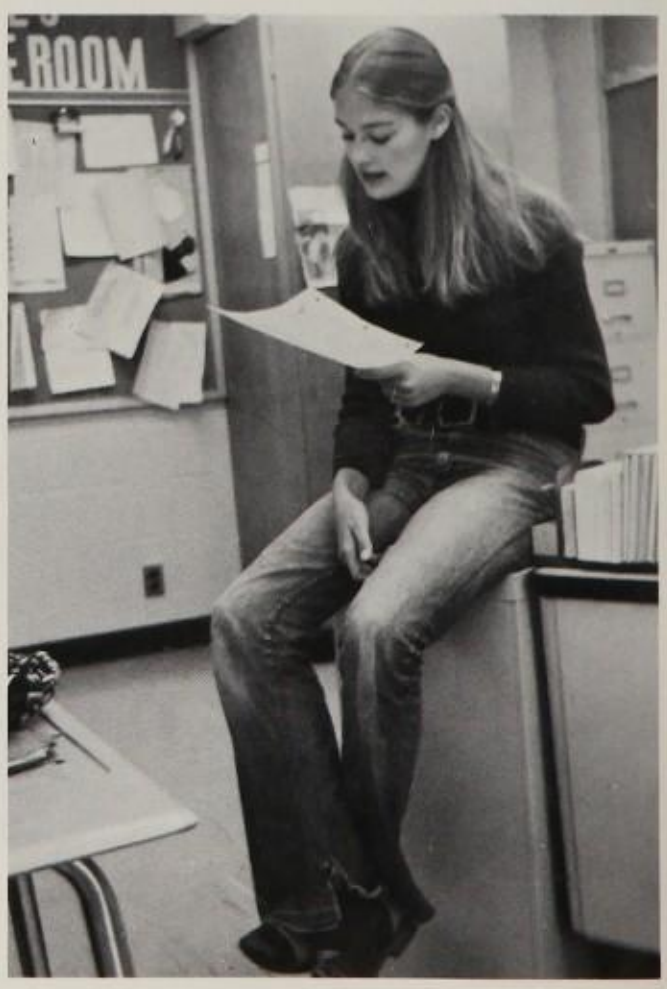
me, let me show you all the things that I

and others left just their name. Come with



enjoyed. This room was once filled

with laughter, and this one unbounding joy,

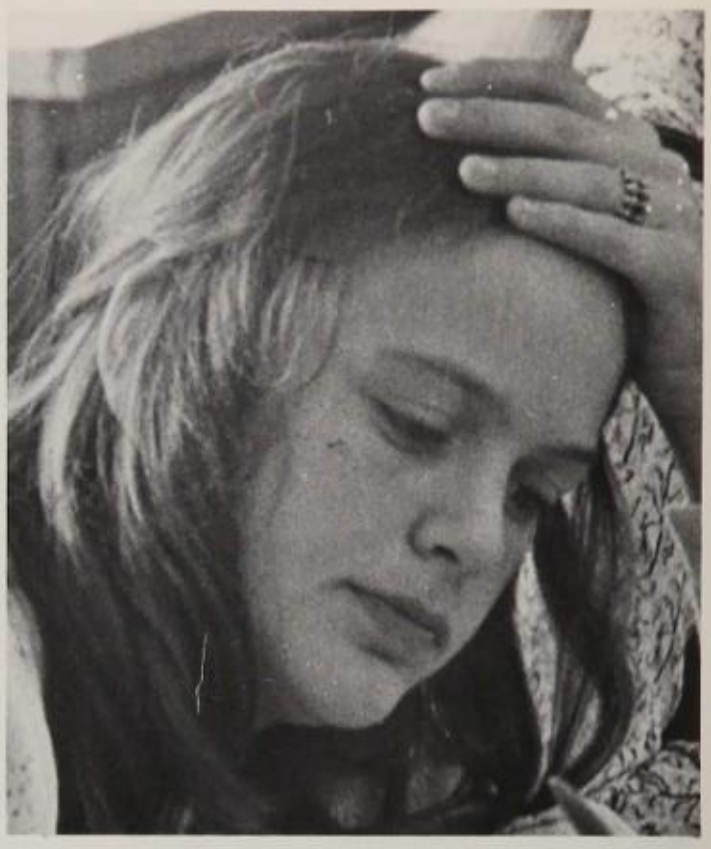


these others remain the nameless, the ghost

this room I was filled with music, and

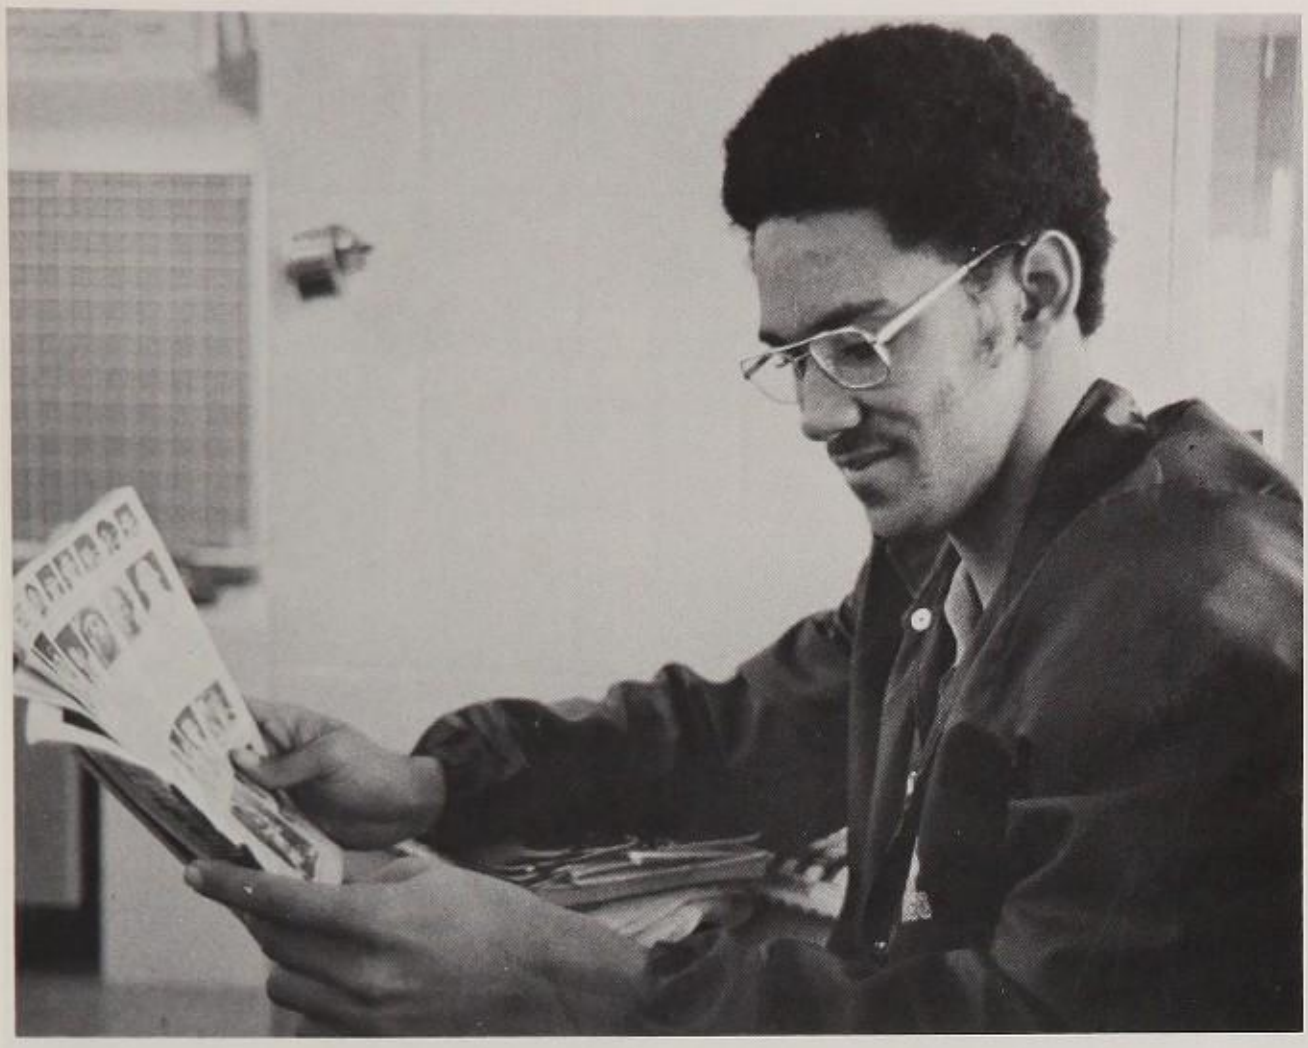
of every girl, every boy, and still they

sit in their seats, as they did three years



seemed so far away, when I too will become

ago. And now as the time has come, It once



a ghost, to laugh and to roam

the halls of yesterday.

*The only Secret to Success is . . . *Cooperation!!!*

Because of the great *Dedication, Hard Work, Understanding, Complete Openness* and *Total Cooperation* of Many Players, Coaches, Parents and *"True Friends"* of our Parkside Football Team, we had another GREAT SEASON.

Many School Records were broken; Team and individual Records. The best record was the great "Fun and Friendship" developed throughout the season, between players, and coaches. We are truly grateful to *God!* For allowing us to be together this fall and performing as we did throughout the year! Each and every member of this year's Team are *"True Champions!!!"*

What happens when 24 normal young ladies are given a football? They organize a kicking, clawing, grabbing, gouging, crushing, screaming football team known as the eagle-ettes! The one game season consisted of a hard fought game against the girls from Jackson High. The Eagle-ettes savagely tackled their way to an 8-6 defeat. Oh well! BETTER LUCK NEXT YEAR GIRLS!

Special thanks to Mike McCollom.

HIGH SCHOOL GRADUATE

LET'S TAKE A GOOD LOOK AT EACH OTHER...

We know a young man just out of school has more on his mind than just a job these days. He's concerned about his world. He's looking at the future. And he's looking for a way to do something about it.

We're looking at the future too. In fact we're dedicated to it. And we're looking for people who feel the same way.

You see, there's more to the Air Force than good pay, guaranteed jobs and valuable skills. There's also the satisfaction of doing something worthwhile and important.

But that's something you'll have to decide for yourself. It's easy to get the facts and there's no obligation. Contact your nearest Air Force Recruiter at

Autographs

Libby,

You're so close a friend to write much. But I think the autograph page will just about do it. Remember Gordon, they have the most beautiful eyes, I know you'll agree. Poor Mr. Sierra (jr.) he had to go out of town. Oh well you'll have to say hi to him sometime. Call me if you need a ride this summer. (ha ha) We'll have to ride over to Kalamazoo sometime before spring vacation, I know you'll be glad to see Jeff or was it Brian oh well you can have your pick. You're going to have to give me a copy of your know whose picture. Maybe you should have stay in Kalamazoo in the tower they're reserving a room for you (only a joke) I'll be seeing you. There is something I have to see a. Cor.
